History

In 1983, the Illinois Chapter of the International Society of Arboriculture was formed. Our mission is to:

"Foster interest, establish standards, exchange professional ideas and pursue scientific research in arboriculture"

The Illinois Arborist Association (IAA) is dedicated to the professional standards of Arboriculture. By joining the IAA, you help set the standards for Arboriculture excellence. With the IAA you develop a network — people you can call on when you need advice or feedback. You can stay on top of current issues and trends facing Illinois' Tree Care Industry.

Annual Membership in the IAA is only \$45. Can you afford to do it? Can you afford not to?

- It pays to have the latest information, trends, and statewide news at your fingertips
- It pays to have a resource network for statewide issues, concerns and education.
- It pays to have state-wide network of experienced peers working with you
- It pays to have your name associated with the tree care association in Illinois

Benefits

Receive the latest news & information on issues affecting the tree care industry throughout Illinois — all in the quarterly "Illinois Trees" newsletter.

The Illinois Chapter offers regional meetings and seminars for local education, issues facing our industry and networking.

The Certified Arborist Program offers recognition and standards for professionals. Local workshops, study guides and exams are offered.

Professional recognition through the use of your exclusive IAA member logo.

Significant savings on over 30 industry books, videos, workbooks and CD's all designed to help you do your job better.
