Thank You for Supporting the
IAA

2014 IAA Awards Program

The Awards program presents excellent opportunity for those who earn their livelihood in the arboricultural profession to be recognized for their accomplishments. Please take a moment to nominate a deserving individual, project and/or program for an award in the field of arboriculture. Awards will be presented at the IAA Annual Conference on October, 2014 at the Holiday Inn in Tinley Park. Please return the completed form to Illinois Arborist Association, PO Box 860, Antioch, IL 60002 or via fax at 262-857-6677.

Award Categories

Award of Merit

The Award of Merit is the highest honor bestowed by the Chapter. It is given in recognition of outstanding service in advancing the principles, ideals, and practices of arboriculture. The award is granted only to active or senior members of the Chapter that have made material contributions to arboriculture, either through work in the organization, research, field practice, or promotion. The award is limited to one individual annually.

Honorary Life Membership

The Honorary Life Membership award is granted only to active or senior members of the Chapter, who have substantially contributed to the progress of arboriculture, and who have given unselfishly to their efforts in supporting and promoting the objectives of the Chapter and the International Society of Arboriculture. The award is limited to one individual annually.

Gold Leaf Award

The Gold Leaf Award may be given to more than one individual or organization annually. It was originally intended to recognize outstanding Arbor Day programs or projects, but now has been expanded to include outstanding contributions to environmental protection and conservation.

Special Recognition Award

The Special Recognition Award was initiated to honor those individuals whose efforts in support of urban forestry and arboriculture are worthy of special consideration.

2014 IAA Award Nomination Form

Deadline: July 15, 2014

Please send completed form to:

Illinois Arborist Association

PO Box 860

Antioch, IL 60002

or via Fax at 262-857-6677

1. Nominee (Individual or group): _____

2. Reason for nomination (attach 8 ½ X 11 sheet if necessary): _____

3. Award Category (if left blank, the IAA Board of Directors will determine appropriate category): _____

4. Nominated by: _____

Address: _____

Telephone Number: _____

ARBORJET EQUIPMENT AND FORMULATIONS

WORK BETTER TOGETHER

TREE-äge® Insecticide and Arborjet equipment continue to provide leading results against Emerald Ash Borer.

“Kinnucan has injected TREE-äge into more than 5,000 ash trees since 2009 with confidence and excellent results.”

*TJ Blockhus, Plant Health Care Manager
Kinnucan Company, IL*

Mixing A
Profile 25C product is diluted when the mixing ratio is 1:11, 1 part conc (Chemical Cost for Applicator is eq)

Instructions for Calculating Woolly Shrub RTU Volume

- Calculate the Total Volume of the Shrub Clearing using the Volume Formula.
- Divide the Total Volume of the Shrub Clearing by the Volume of the Profile 25C product to determine the number of Profile 25C units required.
- Round up to the next whole number.
- Apply the Profile 25C product to the shrub clearings.

Plant Growth Management Systems
helps to help you grow and keep it with a great regulation system.

Competition pricing of Profile 25C.
