

Eduardo Medina's career in arboriculture started in 1986 as a tree worker, tree climber and crew leader. In 1989, I taught my first program in Safety in Rigging, Felling and Climbing for one of the fire departments in the State of Mexico.

From 1990 to 2000 I worked for The Care of Trees as a safety coordinator, crew leader and instructor.

In 2000, I did work for two years for ACRT Environmental Specialists: As an instructor in the field of arboriculture, line clearance, commercial license to drive heavy trucks and aerial rescue. First Aid and CPR.

- Today I work as an instructor and recruiter for Davey Tree Expert Company
 - Member of the International Society of Arboriculture.
 - Honorary Member of the Illinois Arborist Association and The Mexican Arborist Association.
 - International Society of Arboriculture Certified Arborist
 - Certified Tree Worker / Climber Specialist Proctor.
- Conferences in the field of Arboriculture and safety: Peru, Argentina, Mexico, Spain, with relations of cultural exchange between Anglos and Hispanics in tree Industry in United States
- "Mescla de Culturas" and "Latin America the Workforce of Tree Industry in USA " TCIA and ISA.
- For the moment Chair of the International Tree Climbing Championship.
